PREFACE

This handbook contains all the information you need for your company to participate in the City of Temple Mayor's Fitness Council Corporate Challenge. The handbook describes eligibility guidelines, company divisions, entry deadlines, events, key dates, event rules, and the scoring system. The handbook answers most questions about the MFC Corporate Challenge. Please review these rules and guidelines and share them with your employees.

Rules for each event can be found in this handbook. Event rules are subject to change if the change is in the best interest of the participants. The final detailed rules and regulations will be available at each event.

Registration forms and event information are available at www.getfitemple.com or by calling 254-298-5588.

UPDATE ON EVENT INFORMATION

- Please **DO NOT** call the Parks and Recreation office for results. In case of a discrepancy, please contact your company captain. Company captains may email corporatechallenge@templetx.gov.
- Results will be posted on the website as soon as possible after each event.

CAPTAIN

A captain is a representative from a local business or company that will serve as the main contact for that organization.

Suggested duties include:

- Collect registrations for your company and submit to corporate challenge
- Liaison between corporate challenge committee and your company's employees
- Liaison between event coordinator and your company's employees

**Notice to all participants and spectators:
The City of Temple and the City of Temple Mayor's Fitness Council
will not be held responsible for any and all claims or liabilities arising from injury or other
damages suffered during the course of the Corporate Challenge activities or events.**

ELIGIBILITY GUIDELINES

Definition of terms (for the purpose of this document):

- **Employer** is the person or organization who issues a participant's paycheck.
- **Employee** is the person who has worked for said company as a permanent or part-time employee for a minimum of thirty days prior to the event and at least 20 hours per week. Spouses and family members are **not** eligible to participate unless they are employed and meet the eligibility requirements.
- In the event a participant's eligibility is questioned, **proof of employment** will be required. Accepted proof of employment will include a company picture ID badge, or a Driver's License along with a pay stub or certified HR employee listing. If a participant is ruled ineligible, for any reason, that team is disqualified from that event and the company loses **5 points** from the overall Corporate Challenge point total.
- Participants can only compete on one team per sport. Any player playing on more than one team per sport will be considered an **ineligible player**. If a team is protested against and an ineligible player is found on a team, that company will lose 5 points from overall company point total and that player and team will be disqualified from that event.

DIVISIONS

The 2019 Corporate Challenge will have three divisions. In an effort to ensure maximum opportunity for small and large companies, the divisions will be based on the total number of registered companies and not necessarily on the total number of employees.

The divisions will be determined immediately following the late registration deadline. Once divisions are determined, companies will compete against other companies within their divisions for all events associated with corporate challenge.

FEES AND REGISTRATION INFORMATION

The company registration fees provide funds to meet the costs incurred for the rental of facilities, green/golf cart fees, officials, and awards for the event.

SCORING SYSTEM

The Point System for **Golf, Disc Golf, Horseshoes, Men's Softball, Co-Ed Softball, Washers, Billiards, Co-Ed Kickball, Bowling, Sporting Clays and Co-Ed Volleyball** will be as follows:

EVENT POINTS:	1 st Place:	50 points	4 th Place:	20 points
	2 nd Place:	35 points	5 th Place:	15 points
	3 rd Place:	25 points	6 th Place:	10 point

****EXAMPLE:**

If Company XYZ places second, third, and fifth in a given event, XYZ will be awarded 75 **EVENT** points as follows: (35 + 25 + 15 = 75). Individual awards for each event will be determined by actual order of finish. If a team from Company ABC places first that team will receive first place medals and be recognized as the event winner. But, Company XYZ will earn the most points towards the overall Corporate Challenge standings.

There will be no age divisions in **Basketball Skills**, but points will be earned for each male and female who place 1st-6th.

Points for the **5K** will be awarded for each male and female who place 1st-6th within their age division; however, the point system for the 5k will be as follows:

5K EVENT POINTS:	1 st Place:	10 points	4 th Place:	4 points
	2 nd Place:	8 points	5 th Place:	2 points
	3 rd Place:	6 points	6 th Place:	1 point

Company points are accumulated after each event and posted to www.getfitemple.com. Total company points are used to determine each Division's Corporate Challenge Champion at the end of the entire competition.

- A traveling trophy will be awarded to the **overall** company winner in each Division.
- Medals will be awarded to the top 6 individual/team winners in Divisions 1-3 at each event.
- Companies within each division can win multiple medals at each event. Medals will be awarded to the team members, not the company.

Participation Points

Companies will earn a participation point for each employee that participates in the Corporate Challenge. These points will go towards the overall company point total for the challenge. Participation points will be calculated for each company based on the percentage of the number of employees participating in events in relation to the total number of people employed with that company. Employees will receive 1 point for each event in which they participate. Example: An employee who participates in bowling, 5k and tennis will earn 3 participation points for their company.

GENERAL RULES FOR ALL EVENTS

- To avoid errors, all entries must be turned in utilizing the registration forms found at www.getfittemple.com. The forms should be printed and then delivered to your company's Captain or designated representative. Handwritten or telephone entries will not be accepted.
- Players may not switch rosters once competition has begun.
- Posted game time is forfeit time, unless otherwise noted. A forfeit is considered a game played.
- Abusive language and unsportsmanlike conduct will not be tolerated and will result in disqualification of that individual for the remainder of that event.
- "No-shows" delay the progress of an event. Please make every effort to attend the events in which you agreed to participate. All no-shows will be charged for their events.
- Substitutions will be handled on a case by case basis.
- A minimum of 3 teams from 3 different companies must be entered in a bracketed event to hold that competition. Round robin competition will be held if these minimums are met.
- In the event a double forfeit occurs, a coin toss will be held. The winner of the toss will stay in the winner's bracket and the loser will go to the loser's bracket. If neither team has a representative present to conduct the coin toss, both teams will forfeit out of the tournament. In bracketed events, a first round no-show forfeits the team out of the event.
- The consumption of alcoholic beverages is highly discouraged.
- No points will be given for an event if competition is not held, even if a team shows up.
- ANY DISPUTES WILL BE RESOLVED BY THE CORPORATE CHALLENGE COMMITTEE.

Entry Fee: \$20 per 2 person team

Entry Deadline: August 28 at 5pm

Late Entry Deadline and Fee: August 30 at 5pm for an additional \$15 per entry

General Rules and Information:

- Team can be comprised of all men, all women, or combination.
- The game of disc golf consists of throwing a flying disc from the teeing area to a target by a throw or successive throws. All team members tee off on each hole. The team shall select the most desirable tee shot, from which the second shot will be played by all team members. This pattern will be continued until the ball is holed out.
- Play shall begin on each hole with the player throwing from within the teeing area. When the disc is released, at least one of the player's supporting points must be in contact with the surface of the teeing area, and all the player's supporting points must be within the teeing area.
- No relief is granted from park equipment (such as signs, trash cans, picnic tables, etc.) as they are considered part of the course.
- A player may not move, alter, bend, break, or hold back any part of any obstacle, including casual obstacles, between the lie and the hole.
- A player may declare his or her lie to be an unplayable lie. The player's card is the sole judge as to whether the lie is unplayable. The unplayable lie may be relocated to a new lie that is: (1) No closer to the hole, on the line of play and within five meters of the unplayable lie; or (2) The previous lie as evidenced by the marker disc or, if the marker disc has been moved, from an approximate lie as agreed to by the majority of the group or an official. The original throw plus one penalty throw are counted in the player's score.
- A player whose disc is considered out-of-bounds shall receive one penalty throw. The player may elect to play the next shot from: (1) The previous lie as evidenced by the marker disc or, if the marker disc has been moved from an approximate lie, as agreed to by the majority of the group or an official; or (2) A lie that is up to one meter away from and perpendicular to the point where the disc last crossed into out-of-bounds, as determined by a majority of the group or an official.

Ace Pot Details: \$5 per player (optional):

- The payment of any ace pot prize will be in the form of cash to be handed out by the tournament director. The decision of the tournament director will be final in the case of any disputes or determinations of the legitimacy of an ace.
- Any player that scores one or more ace(s) during tournament play will receive an equal share of the total ace pot. A player that scores multiple aces during tournament play will receive the same share as a player that hits one ace.
- In the event that no players score an ace during tournament play, all players entered into the ace pot will throw a CTP (closest to the pin) shot after the round. The CTP (closest to the pin) will be set up by the tournament director and consist of one throw. Whoever is CTP will win the ace pot.
- An ace is when the first throw from the tee for a hole lands in the basket. It is scored as a one (1) on the scorecard. Throws from the tee after a penalty are not aces since they are not scored as a one (1) on the scorecard.

SPORTING CLAYS

Event Date: Monday, September 9 – Thursday, September 12

Site: Weber's Shooting Sports 14757 N. I-35 Troy, TX 76579

Entry Fee: \$150 per 4 person team

Entry Deadline: August 28 at 5pm

Late Entry Deadline and Fee: August 30 at 5pm for an additional \$15 per entry

General Rules and Information:

- Teams consist of 4 persons.
- Teams can be comprised of all men, all women, or combination.
- Each team must shoot with all members present.
- Guns will be available for use if needed.
- Sporting Clays will be shot. Each team member will shoot a total of 50 targets across 10 different stations. Each station has a 2 bird presentation of either on report or true pair.
- Each team member's score will be added together to calculate team score.
- Targets will be presented for attempt by the shooter and scored at each station in one or more of the following formats:
- Single Target -Two shots are allowed and the target will be scored DEAD if broken by either shot. On a single target (full use of gun): If the target is missed with the first shot and an ammo or gun malfunction occurs, preventing the second shot from being fired, the target will be reattempted. On the reshoot, the shooter must intentionally miss the target on the first shot. The second shot will count for either dead or lost. If the shooter breaks the first target on the first shot of the reshoot in this scenario, the target will be scored as lost.
- Pairs - Only two shots are allowed. Pairs may be presented as report, following or simultaneous (true pair). In simultaneous pairs (true pair) the shooter has the right to shoot either of the targets first. If the shooter has missed the first target he may fire the second cartridge at the same target. When shooting report or following pairs, the shooter will have the right, if missing the first target, to fire the second cartridge at the same target (the result being scored on the first target and the second target being scored as LOST). Scoring Pairs – If the shooter breaks both targets with either the first or second shot, then the result will be scored as two hits
- NSCA rules will apply to all shooting. Shooting the doubles out of order will constitute a lost target. Two ammunition malfunctions are allowed per shooter in a round. Only two gun malfunctions are allowed by a shooter in a round. Excessive gun malfunctions will be scored as a loss. Failure to take off the safety is not a legal gun malfunction and will be scored as a lost target.
- Shooter may choose gauge of their choice.
- All ammunition used at this facility must be 7-1/2, 8 or 9 shot only. No magnum shells will be allowed.
- Any ties of scores in placement positions will be broken by splitting the points for that placement since all teams from each division do not shoot on the same day.

If a selected shot lies in a hazard, bunker, rough, second cut of rough or fringe of the green, the ball must be placed within one club length of the selected shot, not nearer the hole. However, the ball must be placed in the same condition i.e. hazard, bunker, or rough.

The team moves to the next tee and the score is then recorded for the hole.
